SPEAKER: Shall LB 66 be advanced?

SENATOR CHAMBERS: I move that LB 66 be advanced.

SPEAKER: Please indicate by the usual sign if you wish to have LB 66 advanced. Opposed. Carried. What else do we have Mr. Clerk.

Senator Clark. The Chair recognizes Senator Clark.

SENATOR CLARK: Mr. President, I'd like to move 537 back to Select File for specific amendment.

SPEAKER: Any further discussion? Shall 537 be brought back for specific amendment? Have you all voted? Have you all voted to bring LB 537 back for a specific amendment? The Clerk will record.

CLERK: 26 ayes on motion to return.

SPEAKER: Chair recognizes Senator Clark.

SENATOR CLARK: Mr. President, evidently these two amendments we thought were passed on 537, but we can find no official record of it. We want to be sure they're on there. The first amendment would change the use of the \$225,000 that went to OIC in Omaha to the Metro College. We thought this was on there but we can find no record of it, so this first amendment does that. The other one increases the appropriation of the Court of Industrial Labor Relations by \$22,710 general funds. In order to let them finish out the year, the mandate we gave them last year to do the job, they didn't have enough money to do it with.

SPEAKER: Any further discussion?

SENATOR CLARK: I would move for the adoption of the amendment.

SPEAKER: Seeing none, the question is shall the amendments be adopted. Chair recognizes Senator Lewis.

SENATOR R. LEWIS: Are these separate amendments, or . . . Could I direct a question to Senator Clark? Are these separate amendments?

SENATOR CLARK: No, it's one amendment.

SENATOR R. LEWIS: Which is?

SENATOR CLARK: Pardon.

SENATOR R. LEWIS: They deal with different agencies. Are you offering them as a separate amendment?

SENATOR CLARK: No, but we put it through as one amendment, aren't they Vince. Aren't they but through one amendment?

CLERK: I have one computer print-out, identified as request 2518, containing the whole thing.

SENATOR R. LEWIS: Well I don't want to make an issue of it. I object to the one portion of it, but it's one amendment you've got me boxed in.
